SHIP DESCRIPTION: It is important to note that cruise ships in Greece are not at the standard of luxury ships to which Americans are accustomed in the Caribbean. The Greek ships are basic with few amenities, although much better furnished than the ships Paul sailed. The emphasis is the ports, not the ship.

TRAVEL DOCUMENTS: Unless otherwise notified, Corporate Travel Service will mail to you or your group leader a more detailed itinerary and General Information Sheet approximately 2 weeks or 10 days before departure.

ITINERARY: The Itinerary as presented in this brochure is tentative and represents what we are planning for you, however it is subject to confirmations from many organizations. Because of changes in local schedules, we may need to alter specified events, dates and/or venues to better fit the overall plan. The right is reserved to alter or cancel the itinerary, at Corporate Travel Service's sole discretion, as it may deem necessary or advisable.

ROOMS: Tour prices are per person according to a cabin type: a "Single" cabin is one person in a cabin and a "Double" is two persons in one cabin. A "Triple," three people in a cabin, and "Quads," four people in a cabin, are not always available. Triples and Quads may require upper bunk style beds.

Updates about your trip will be sent by email, so it is important that settings in your email system allow communication from addresses originating from ctscentral.net

LUGGAGE: Baggage is at owner's risk throughout the tour.

Checked Luggage: For most airlines, a checked bag is limited to **50 pounds and 62 inches** (length + width + height). If these specifications are exceeded, excess charges may be collected by the airline at the airport. Do not lock baggage you intend to check in at the airport. Please confirm these specifications when you receive your final travel documents, as they can and do change. **NOTE: Airlines are expected to begin charging for International checked baggage. You will be notified in your final travel documents and such costs will be the responsibility of the traveler.**

Carry On Luggage: You may also bring a small carry-on bag that will fit under an airline seat and on the small parcel racks of the motor coach, which average about 8 inches high by 18 inches deep. It is best if your carry-on bag is soft sided, as the parcel racks on the motor coaches are small. Currently, travelers are allowed to transport only small amounts of liquids, gels, lotions, aerosols or similar items on their person or in their carry-on luggage. Details will be in your final travel documents.

HEALTH REQUIREMENTS: Any special medical conditions or equipment must be advised in writing, for evaluation of feasibility, at the time of making your reservation.

CHILDREN UNDER 18: For a minor under the age of 18 to travel out of the United States without both parents or legal guardians, a notarized affidavit must be obtained and presented to immigration official upon departure and return to the United States. You may request a form from our office.
